HAPPY BIRTHDAY
"1969"

Dear Tim -

Hope your special day
is the best one ever. Did
you have a good time this
summer? hope so.

The "dollar" wish it was
a million" is for you to get
an Arizona Magazine for
September - it is 60¢ ^{plus postage} at news-
stands - like Barnes or Gambels etc.
or if not, be sure to send for
one, address - Arizona Highways 2039
W. Lewis Ave. Phoenix Arizona 85009
I would send, but we are so
swamped with important work right
now - we expect relations from Houston
Texas for a visit. Especially read Pag
4. It tells about the Salt River and
a town of McNary - Hope all the Mc.
Nary clan wants to know more about
that part of the world, for one of our
ancestors, one of five brothers

Tim's 16th Birthday

that came here from Scotland at
least 5 generations ago, went West and
later, ^{of them} one was Senator from Oregon. As
you seem to love the outdoors & camping,
hope you & all the family will love this
issue of Arizona - your snowmag is from
the North West, so perhaps some
day you will get to visit this
spot. Let me know if you can't get
a copy of this Magazine and I will
loan you our copy - I save them all
or would give you our issue.

Love and Sincere Best Wishes
Come see us, when you can -
Uncle Jess & Aunt Florence -
