Dear Carol

Enclosed are the pictures Mark brought with him. I think you'll find them interesting. Look at the stump of the old maple tree. See if you can see the spring house in some of the pictures. Mark's trip was quick, just time to go to see Carlsbad Cave on Saturday. Then to see a bull fight in Mexico. It was quite exciting. The Mexican cab driver gave us a quick & exciting ride to & from the arena. Tomorrow is Cathy's birthday (#36) she's doing well, getting bigger and bigger.

Best wishes
Tim
